Dear members of the Old Bridge Township Board of Education,

With the utmost sincerity, I would like to thank the staff and students of Old Bridge High School for sharing their time, as well as their many gifts and talents with our residents during their Dec. 23, 2014 performances at Roosevelt Care Center at Old Bridge. Using songs and story, both the Old Bridge High School Drama Club and Chorus played a huge part in brightening our residents' day and extending the holiday spirit.

Their service to this community is certainly appreciated and should also be publicly commended. The students' interaction with our residents is proof and a reminder to us all that a small act of kindness can make a big impact in someone's life. We were so fortunate to have these students in our home for one day, and hope that this will become a cherished tradition as the years progress.

Best Regards,

Alan Fialka Jr.
